Über Shape the Future

Bildung ist das Herzstück von Microsofts Mission, jedem Lernenden auf der Welt die Möglichkeit zu geben, mehr zu erreichen. Wir glauben, dass die Bereitstellung einer Plattform, die mit ihnen wächst, entscheidend für den langfristigen Erfolg und die Karrierechancen Ihrer Schüler ist. Microsoft ist stolz darauf, mit einer Vielzahl von Partnern das Shape the Future-Programm anzubieten, das die Verwaltungsmitarbeiter, Lehrer und Schüler anspruchsberechtigter Bildungskunden in der Primar- und Sekundarstufe einsetzen können. Die Windows-Plattform, auf der sowohl einfache als auch komplexe Programme laufen können, unterstützt Schüler von der Grundschule bis hin zu technischen Kursen für Fortgeschrittene.

Bildung transformiert. Durch Sie. Und Microsoft.

Das Shape the Future-Programm von Microsoft ermöglicht es anspruchsberechtigten Schulen, bei Microsoft-Partnern Geräte mit rabattierten Windows-Lizenzen zu erwerben.

Die Programmpreise für die Windows-Geräte werden von den Technologie-Partnern festgesetzt, die jeweils die Windows-Geräte liefern.

Indem Sie sich für das Programm registrieren und die Anspruchsberechtigung Ihrer Schule nachweisen, qualifizieren Sie sich dafür, bei unseren Partnern zu den rabattierten Preisen des Shape the Future-Programms zu kaufen.

Shape the Future K-12 Academic Institutions

Effective Date: 12/7/2016
Alan Smith
Belkows High School
One Main Street
Redmond, WA 98115
United States
Re: Microsoft Shape the Future K-12 institution
Eligibility Letter for undefined (A9CCCC2361)

Congratulations,
undefined is approved as eligible for the Shape the Future K-12 program, valid until one year after the Effective Date indicated above.

The Shape the Future program allows qualifying K-12 institutions* to purchase Windows devices from participating technology partners, typically at a discount from their retail price. Program prices for Windows devices are set by technology partners who have access to discounted National Academic licenses. For purposes of National Academic Offers, "Education Use" means use by administrators, teachers, or students in primary or secondary schools.

These devices may only be distributed to undefined (A9CCCC2361) and only in association with the Shape the Future program. In addition, Microsoft may require undefined (A9CCCC2361) to submit proof of receipt of the devices, such as a technology partner invoice, a shipment record or similar documentation which demonstrate receipt. Microsoft reserves the right to terminate the Shape the Future program and this eligibility letter entirely if and when Microsoft considers it appropriate.

To take advantage of the Shape the Future K-12 program, provide this letter to a participating technology partner when requesting a price quotation or submitting an order for the fulfillment of devices and licenses.

For more information on device options and the Shape the Future K-12 program, please contact a Microsoft representative, a Microsoft Partner or visit Microsoft.com/education.

We thank you for choosing Microsoft for your education needs. Education continues to be core to Microsoft's mission to empower every student on the planet to achieve more. Through [Office 365 Education](#), [Windows 10](#), [OneNote Class Notebook](#) and [Minecraft: Education Edition](#), we continue to offer immersive and inclusive experiences that inspire learning.

[Microsoft in Education](#)

*By presenting this letter of eligibility as described above, you affirm that you are (a) eligible as a qualified educational institution for the Shape the Future program; (b) authorized to act in this capacity on behalf of your educational institution; and (c) you and your institution will use any devices acquired through the program for educational purposes only; you further understand that if you knowingly submit false information or return the devices acquired through the program...

Below this is a dark navigation bar with the following links: "Windows Store for Business", "Shop", "Manage" (with a dropdown arrow), "Settings" (with a dropdown arrow), and "Support".

The main banner features the "MINECRAFT EDUCATION EDITION" logo in a stylized, blocky font. Below the logo, the text "Minecraft: Education Edition" is displayed in a bold, white font, followed by the tagline "Play. Craft. Learn." in a smaller font. The background of the banner is a vibrant, pixelated Minecraft landscape with a river and various terrain blocks. Several floating, transparent cubes are scattered across the scene, each containing a different Minecraft-related icon.

Below the banner, there is a section titled "Organize your classroom" in a white font. To the right of this text is a "Show all" link. Below the text and link are three colored tiles: a teal tile with a white icon, a purple tile with a white icon, and a blue tile with a white icon. The background of this section is a dark, textured surface with numbers like 9, 10, 11, 17, 18, and 19 visible.
